Welcome on Board

Preamble

Saturday February 3, 2024

Dear Friends,

It is a really good day. A new unimaginable travel was officially beginning and I couldn't be more thrilled. We (my wife Mary, my 3 children Laura, Tom, Jean and I) finally embarked on this fantastic cruise ship—Oasis of the Seas^[1], and started our 9-day vacation on the biggest and newest cruise ship owned by Royal Caribbean International, which will sail from Miami, FL, to Havana, Cuba, Cayman Islands, Mérida, Venezuela, the Bahamas, then back to Miami, FL, where we'll

finish the travel, ending the holiday... Wow! From our first moment on board, we were astonished by the sophisticated structures of the vessel, therefore, my family and I will record what we see, what we do and what we feel while traveling on the great ship. Let's begin with the ship we were on... (to be continued)

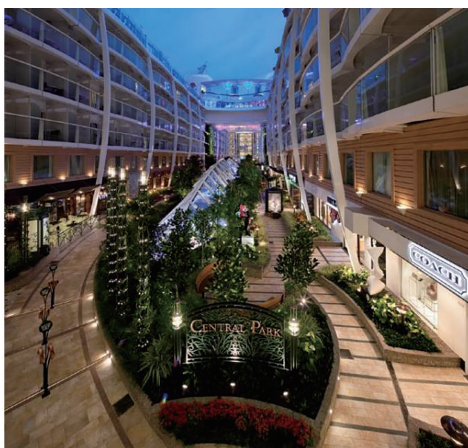

Jack, the 1st day on board^[2]

Text

What a Luxury Ship

Oasis of the Seas is an *Oasis*-class cruise ship, delivered to her owner, Royal Caribbean International, in October 2009. It's clearly obvious that, at Royal Caribbean International, they don't just build ships, they build **incredible** story. *Oasis of the Seas* sets a new record of carrying over 6,000 passengers. Before 2015, it's the latest engineering wonder **featuring** the first ever neighborhood concept on board a cruise ship, seven distinct neighborhoods^[3] each offering its own distinct experience.

For the first time in the history of ship building, why not stroll through Central Park^[4], the first living park at sea, or take a walk through the Royal Promenade^[5], a dramatic two-story open area, full of shopping, dining and entertainment options for even more family fun?

Central Park

The *Oasis*-class features another first, the world's first Boardwalk^[6] in the middle of the ocean, featuring shops, attractions and **amusements** to keep everyone entertained, including its own full sized hand-carved **carousel** and the one of a kind Aqua Theatre^[7] with high diving, and water-show is an attraction all on its own.

For kids and young cruisers, the Youth Zone is the whole neighborhood devoted exclusively to them. Kids age 3 to 11 will love the award-winning Adventure Ocean Youth Program^[8], and teens will enjoy their own private **hangouts** created just for them. No matter what your kid's age, the Youth Zone on board the *Oasis of the Seas* takes family vacationing to a whole new level.

Aqua Theatre

The Pool and Sports Zone on board the *Oasis of the Seas* is the most incredible yet, of fun-filled neighborhood for all ages. This zone occupies an entire deck, with dual rock climbing walls, miniature golf^[9], ping-pong, two FlowRider^[10] surf simulators, a whole size basketball court and a most spine tingling adventure, the zip line^[11]. And for those looking to unwind, **vitality** at Sea Spa and Fitness Center isn't just a health club; it is the largest spa and fitness center at sea. Try the newest equipment, one of several exercises classes and the most relaxing spa treatments around. And stop by the Vitality Café^[12] for healthy snacks, juices, **smoothies** and **entrée**, and speaking of entrée, the *Oasis*-class promises to offer the most mouthwatering dining options ever. For starters, there is a three-story main dining room, the most **spectacular** dining room ever, and while there are **literally** hundreds of menu options for breakfast, lunch and dinner, that's just the beginning. Throughout each of the ship's neighborhoods, casual and specialty dining options are bound...

Have a Think

Adora Magic City (“爱达·魔都号”邮轮)

With the development of Chinese cruise industry, more and more Chinese elements appear in the stage of cruise history. Especially, with the appearance of CHINA's first domestically built large cruise ship—*Adora Magic City* (“爱达·魔都号”), Chinese cruise industry has entered a new period. Let's go into more details about it.

Adora Magic City is, 323.6 meters in length, 135,500 gross tonnage, 24 stories high, 2,125 rooms, and a maximum of 5,246 passengers. The name not only reflects the identity of made in Shanghai, but also highlights the pursuit of the first domestic large cruise ship in product design, art design and experience design. On January 1, 2024, *Adora Magic City* successfully started its maiden voyage from Wusongkou International Cruise Port, which marks that China's cruise industry has entered a new stage of comprehensive transition to independent research and development and independent operation.

After getting the general information about *Adora Magic City*, you must be more confident with our Chinese cruise industry and our national culture.

Have a think;
